Improving Range Soils & Productivity with NEW Grazing Management Ideas

Cachuma Resource Conservation District &
Ted Chamberlin Ranch

➢ Come see the new ideas that grow more productive soils, more grass, and let Nature do all the work for you.

➢ Learn how planned grazing changes soil organic matter, soil water holding capacity, weeds, productivity, and the effectiveness of every drop of rain that falls.

➢ Seeing is believing!

When: Friday Oct. 12 from 9:00 – 12:30pm
Where: Ted Chamberlin Ranch, Los Olivos
What to bring: hat, sunscreen, water

Register by Oct. 10
https://improving_range_soils_crcd.eventbrite.com
Directions will be sent upon registration.
